

Social Media Crash Course

*Learn how to use Facebook,
LinkedIn and Twitter!*

Saturday, Nov. 14th

9:00 am - 5:30 pm

The **Social Media revolution** is not a passing trend, but a growing marketing and direct sales opportunity for intrepid business owners.

Do you want to get involved with this potential billion dollar-plus market, but are befuddled by the tools, techniques and business applications for your company or organization?

Do you need to learn how to use these applications for your job search/personal use?

Fear the unknown no more - this is a fast-start Social Media Crash Course is for for you!

Hands-on learn how to post updates, reply to messages, join groups and build your network on Twitter, Facebook and LinkedIn.

You'll learn about social media tools shown here and more.
