To whom it may concern,

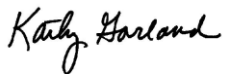

Lissa Duty has coached me on social media and I highly recommend her. Her sessions are packed with power tips to make the most out of your time with social media. Social media is a mystery to most of us and Lissa will show your team how to be efficient and maximize exposure.

One of the most important aspects, though, about social media is learning how to build relationships using social media sites. Lissa is masterful at this.

She's taken the mystery out of navigating through all the social media choices so that everyone can take advantage of this wonderful marketing opportunity.

Please feel free to call me if you have any questions.

Cordially,

Kathy Garland
